Streets and Roads

- Snow removal from the church and Brown's parking lot has been pushed across the street building up a large pile around the stop sign and the south west corner creating a visibility issue.

- Mayor Yaremchuk advised council that there is a metal piece of rod sticking up through the snow in front of 188 Unity Street West that could be dangerous for snowmobilers and quads as it is hard to see. Maintenance will look into removing it once the ground thaws.
- T Dryka requested that DeeJacks weld a piece of metal to extend the blade for the tractor when ploughing. He paid cash for it himself the cost of $120.00. Admin to purchase a Co-op gift card in the amount of $120.00 for reimbursement.
