Streets and Roads

- Metal post at end of Unity Street West can be removed. Believed to be protecting a small tree that should not be there.

- Resident at end of the East side of the village has inquired about the grass not being cut around the tower put up by Inet2000. He has been cutting it himself but thought it should be up to the village to keep maintained.
That parcel of land is not village property. Admin will contact the farmer whom owns the land to see what kind of deal was made between them and who's responsibility it is to maintain it.

- Mayor Yaremchuk ordered six speed bumps from Amazon. Only two were received. She contacted Amazon and they refunded here for all six speed bumps. A short time later she received a parcel with three more speed bumps that we were not charged for. She had received a reimbursement from the village in the amount of $ 410.69 that she will e-transfer back to the village.
